Advanced Human Technologies

NLP Master Practitioner Certification

R17 775.00

Today as never before, in business and life as a whole, time and money are vital criteria to be invested wisely and with measurable benefits.

This unique training is the best investment you can make now.

It puts the latest knowledge in the field of human technology in the hands of the people who need it most, those who constantly work with people to achieve a range of outcomes. And it's not just knowledge: A this training

is multi-level and highly experiential. It includes theory and action, reflection and application, individual and group work, as well as various projects geared for enabling delegates to start using their skills immediately and contextually.

On successful completion of the course delegates will receive internationally recognised certification as Master Practitioner of Neuro-Linguistic Programming.

Areas covered include:

- Advanced Language Patterns
- Thinking Outside The Box
- Understanding And Working With The Major "Filters" On People's Experience (Meta Programs)
- Understanding And Shaping The Culture You Work In
- Working With And Aligning Individual and Team Values
- Designing And Delivering Effective Trainings And Presentations
- Using Group Rapport
- Understanding Different Models For Learning And Processing Information
- The Three Most Famous NLP Modelling Techniques
- Specific Interventions For Working With Dis-comfort And Dis-ease
- Advanced Time Line Work

This will enable you to:

- Improve Communication, Negotiation and Conflict Resolution
- Motivate Yourself and Others
- Build High Performance Teams
- Create and Work with a Mindset of Sustainable, Measurable Excellence
- Recognise and Encourage Innovative Thinking and Behaviour
- Mentor, Coach and Counsel Others for Success
- Recognise and build effective models for peak performance in any given field

Course work and certification:

This course is presented in a distance-learning format.

- On registration you will receive 3 MP3s, a manual and a Research Paper.
- The Research Paper needs to be completed prior to attendance on the course.
- The experiential section of the course is a 10 day Intensive, run annually in Cape Town.
- There will be additional hand-ins both prior to and during the Intensive.
- Certification is dependant on completion of all required course work.

See the booking sheet for current dates, venues and prices

“Incredible manuals, awesome teacher, flexible surroundings, stimulating fellow delegates, the homework, the backup MP3s, EVERYTHING has led me to feeling confident that I have the necessary tools, confidence and support to provide my clients with easy and effortless transformation. AWESOME!”

Carolyn Fletcher, **Counsellor and Tai Chi Chuan Instructor**

“It is everything it promises to be and then some!”

Bernard Farrell, **Technologist**

“I hate doing evaluations but I give this course an A+. It was tough and challenging but it made me grow like a rosebush in the spring!”

Suzelle Fourie, **Journalist**
